FIND YOUR MARK

PEOPLE SAY I RESCUED MARK, BUT THE TRUTH IS HE RESCUED ME. HE HAS SHOWN ME WHAT MATTERS IN LIFE, THE THINGS THAT ARE REALLY IMPORTANT. WITHOUT MARK, I'D NEVER BE THE PERSON, THE WOMAN, OR THE MOM I AM TODAY. AND IT ALL STARTED WITH THE DECISION TO BELIEVE IN MYSELF, AND TO TAKE A HUGE RISK."

## FIND YOUR MARK

**FIND YOUR MARK** chapters exist to raise awareness and funding for the Touch A Life Foundation. Specifically, each chapter seeks to raise a minimum of \$1,800 over the course of one year. \$1,800 covers the cost of living for a one child for an entire year, and it provides him or her with housing, clothing, food, medical care, education, and vocational training. Chapter members will receive a biography and photo of the child their group is sponsoring, and they will also receive quarterly updates and handwritten letters from their sponsored child.

You don't have to buy a plane ticket and head to Ghana to get started. It's much easier to **FIND YOUR MARK**. All you have to do is ask yourself: what are my passions? What am I good at? How do I enjoy spending my time? Organize fundraising events that are related to your interests. Rally the support of your school, your church, your book club, and your community. Delegate tasks and hold yourselves accountable to **FIND YOUR MARK** brainstorming and fundraising meetings.

### WHAT IT TAKES

\$150 a month will cover the costs for one child in our Ghana programs.
